## **Peak PACE Solutions names Dr. Richard O. Schamp Chief Operating Officer**

**ST. LOUIS – Nov. 5, 2009** –Richard O. Schamp, M.D., an expert in geriatric care and Programs of All-inclusive Care for the Elderly (PACE), has been named chief operating officer of Peak PACE Solutions. Peak PACE Solutions is a management services firm that provides specialized services to PACE organizations to help them operate efficiently and effectively. Peak PACE Solutions, located at 2510 S. Brentwood, Suite 216, in St. Louis, will service PACE organizations nationwide.

Schamp will oversee the overall operation of the company and be responsible for quality control, vendor relations, human resources and research and development of programs and services.

“PACE programs are excellent resources for individuals who are eligible for nursing home care but who want to live at home safely. PACE organizations provide quality, cost-effective care to a vulnerable population through a wide range of health and social services. We look forward to opportunities to help PACE programs optimize productivity, regulatory compliance and effectiveness through Peak PACE Solutions,” Schamp said.

Schamp has been an associate professor at Saint Louis University School of Medicine since 1998. Prior to joining Peak PACE Solutions he served as the medical director of Alexian Brothers Community Services, a PACE organization in St. Louis, and was the vice chair of the National PACE Association’s Primary Care Committee.

### **About Peak PACE Solutions** ([www.peakpacesolutions.com](http://www.peakpacesolutions.com))

Peak PACE Solutions is a health care management services organization based in St. Louis, Mo. The company helps existing Programs of All-inclusive Care for the Elderly become more efficient by providing claims processing, billing, accounting, risk adjustment and Part D submissions, Medicare reporting and enrollment management services. Peak PACE Solutions also provides training for PACE staff.
