Golden West Foundation names Elyse Foster to board

BOULDER, Colo.—The Golden West Foundation, a 501 (c) 3 nonprofit organization, recently named Elyse Foster to its board of directors. The Golden West Foundation supports Golden West Communities, which began providing housing and services to seniors in 1965 and offers independent and assisted living apartments. The Golden West Foundation was formed as a separate nonprofit organization in 1986. The Foundation is guided by a board of directors including local community members, residents and staff.

Elyse Foster is the founding principal of Harbor Financial Group, Inc. Her role includes investment direction and selection, strategic planning, and client relationship management. Foster's experience in financial markets helps her integrate world political and economic events into the investment and planning advising the firm is well known for. Foster has a background in accounting and studied economics and political science at the University of Colorado, graduating in 1977. She entered the financial planning field in 1982, earning her Certified Financial Planner designation in 1984. Foster was vice president and director of operations with a large financial planning firm and worked in investment banking prior to forming Harbor Financial Group, Inc. in 1987.

Foster's other interests include alpine and back-country skiing, hiking, gardening and photography. Foster also enjoys travel, spending time with her friends, husband Barrett and two adult children.

Foster will work with other board members to identify, prioritize and fund quality services and building improvements for the older adults living at Golden West.
