Golden West raises \$7,000 with Harvest Dinner

Annual fundraiser benefits Golden West Foundation

BOULDER, Colo.—The Golden West Foundation hosted its 9th Annual “Harvest Event” fundraiser last month raising more than \$7,000 for the Rental Assistance Fund at the community. The event was held in the main dining room at Golden West, 1055 Adams Circle, and nearly 200 people were in attendance.

The Rental Assistance Fund helps cover the gap between Medicaid reimbursement rates and the cost of providing housing and services to Golden West residents on Medicaid.

Those in attendance enjoyed a hearty buffet-style dinner prepared by Golden West’s culinary staff and strolling violin music by Julie Evans. Members of the Delta Sigma Pi sorority volunteered for the event and served as busers and hostesses. Golden West residents from the Creative Corner art group created and donated the centerpieces at the event.

“The event was a great success and will help the Foundation fulfill its mission, ‘to enhance the lives of Golden West residents and support their ability to remain at Golden West if their resources became scarce,’” said Golden West Executive Director John Torres.

The event was a great success in part to Pettyjohn's Liquor and Wines for donating the liquor; sponsors Black Roofing, Inc., Boulder Phone Installers, Medically Based Fitness, Morrison Senior Dining, and Seniors Blue Book, as well as or prize donors Boulder Philharmonic Orchestra, Colorado Music Festival, CU Athletics, Fiske Planetarium, Home Instead Senior Care, McGuckin Hardware, and Panera Bread.

Golden West Senior Residence is a not-for-profit community for persons 62 and older, including those with lower to moderate incomes, that provides housing and services in an environment that is supportive of the residents and the community.
